

U17 Men's Team – East Anglian League Final

At a wet and windy Bury St Edmunds on Sunday 23 September 2012 the U17 men's team bought a little sunshine!

The small but dedicated team all pulled together to cover as many events as possible, with athletics participating in events they would normally steer well clear of!

The day started with wins for Oliver Garner & Alex O'Brien in the 100m Hurdles. This was backed up with wins for Tom Guy in the Shot & Discus. James Mead won the Discus and placed well in the Hammer & Javelin.

Victories in the High Jump for Max Paulin & Jean Luc Hammersley helped secure more top points. Jean Luc also won his Long Jump and was second in the 100m. Max was also second in his Shot & Javelin.

Ifeanyi Orah performed to his usual standard with a second place in his main event of Triple Jump; he was also second in his 100m & third in the 200m.

Frasier McCall was third in his 400m and both he & Oliver Garner "took one for the team" and ran the 800m to earn the team more valuable points.

At the end of the meeting the lads were comfortable winners by some 36 points, so well done to all involved.
