Both teams have had a fantastic season. A big thank you from John Weir (Men's Team Manager) & Hayley Pegg (Women's Team Manager) to all athletes who have competed for the SAL teams this year. The athletes have shown commitment and drive in all competitions which is sometimes difficult especially when London is hosting an Olympic Games! We hope to see all athletes competing in next year's summer matches and welcome some athletes into the team who have moved through the age groups.
