Photographic History

When I competed at the AAA champs (top UK < Discus qualifying standard=+50m> & invited top athletes ...see Al Oerter & John Powell) at Crystal Palace. Obviously I did not make the cut with only 48.60m - finished 11th & was totally knackered with only 3 throws & gallons of adrenalin expended. But so inspiring to compete against Discus legends still in their prime. Al Oerter is still the only T & F athlete to win FOUR consecutive Olympic gold medals (1956, 60, 64 & 68) and that year (1979) he had thrown 69m in preparation for the 1980 Moscow Olympics - which was eventually boycotted by USA. John Powell was Discus record holder for a while with 71+ m. We trained together several times and he influenced me to just use the South African for warm-up instead of standing throws.

Throwing at Melbourne Park. Note fields & track at 90 degrees to present track. Also weight at a discus friend's house (Guy Dirkin), NW Olympic weights 110kg class championship in Manchester and Sale Harriers Div 2 champs

the first Essex high jumper to clear 7 ft. Two unusual records go to Geoff Tyler of Chelmsford AC and Sale H. whose twelve wins in the discus from 1971 to 1982 make the longest consecutive run, and whose total number of nineteen senior championships (when six wins in the shot and one in the decathlon are added) is also a record. Finally, this chapter would not be complete without a reference to the outstanding all-round athlete of all time, Daley Thompson, world record holder and reigning Olympic, European and Commonwealth champion who, although not an Essex man, is a member of the oldest Essex club, Essex Beagles.

Geoffrey Tyler (Mike Street)

Photo from Essex Centenary book - with write up

Geoff TYLER wins Braintree County High School
880 yds 2min 26.5s in tactical race with sprint from ~150m
1967

Winning the 880 yds. There were no Braintree County High school cups for Field events, so I needed to win a track event. I chose 880yds to have a better chance to out-sprint middle distance runners.

Sale Harriers at Grangemouth - confirmed Div-2 winners (gives an idea of team numbers)
